Priorities: On an attached page please explain in a total of 75 words or less why you are running and your top two or three priorities if elected. If they require additional funding for implementation, please explain how you would obtain this funding.

Why am I running :

I have a solid business background and have consulted with Fortune 500 companies in all aspects of making their companies more efficient. I can use that experience and knowledge not only to help improve our own operations at City Hall but also to help in relating to existing business owners and those that are considering PSL as their new home.

My top three priorities -

- Run the city like a business. Spending must be justified.**
- Give incentives to contributory industries to promote organic job growth.**
- Explore a GREEN and other initiatives.**
