Vote

November 2nd, 2010

Duplication is
encouraged

The enclosed information was received via surveys to each candidate. This voter's guide is non-partisan and does not endorse any special candidate(s) and is designed as an educational tool. Churches and non-profit organizations wishing to duplicate and distribute this guide do so with no risk to their 501 (C) 3 status.

Each candidate was given an issues survey and follow up contact was attempted. Candidates who didn't respond have been excluded.

Candidate statements and state and federal voter guides available at www.FLVotesValues.com.

Thanks to the candidates who took the time to respond to these important issues.

Return local government budgets to 1999 levels, adjusted for population growth and the rate of inflation and limit future increases in the budget to population growth and the rate of inflation.
Use Federal Stimulus money and/or Federal Grants to balance local government budgets.
Use of tax revenues for condom distribution to adults.
Sexual education programs that depict condoms as a way to prevent STDs including HIV.
Proposed Florida Personhood Constitution Amendment to define all human beings as persons under the constitution regardless of age, race, health function, condition of physical and/or mental dependency and/or disability.
Use of tax revenues to support family planning clinics where abortion counseling and referrals occur . . .
Contracting for services from medical groups that also offer abortion counseling.
Health insurance provided for "same sex" and live-in partners for employees of local government.
Give "sexual preference, sexual orientation or lifestyle" minority protection status equivalent to that currently covered under existing civil rights laws.
Proposed Florida Constitution Amendment 4 that would require voter approval the adoption of a new comprehensive land use plan or the amendment of an existing comprehensive land use plan.
Proposed Florida Constitution Amendment 9 that prohibits laws or rules from compelling any person, employer, or health care provider to participate in any health care system (including a Universal Healthcare System as passed by the US House and Senate).
Stressing basic academic skills (i.e. reading, writing, mathematics) over social programs (i.e. health care issues, social engineering, values clarification issues, etc.)
Amend DOE Curriculum Framework for Biology and Life Science to also allow the teaching of interpretations of evolution and alternate theories of origins, including life by intelligent design.
Tax funded education vouchers that allow parents to choose public or private schools. (GI Bill for kids).
Permit a court-approved Bible history course may be taught as an elective.
Permit crosses, nativity scenes, menorah, and other religious items to be displayed on public property with secular items, as part of a seasonal celebration.
Require that adult businesses do not perform or sell, rent, or display material that goes beyond the community standard of decency.
Increases in local sales or property tax to pay for education.
