To Enjoy and Defend Life!

Personhood Affirmation

WHEREAS, the 14th Amendment of the U.S. Constitution states, "nor shall any state deprive any person of life, liberty or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the law," Personhood FL ProLife PAC affirms the principle that the right to life is the bedrock upon which all other Constitutional rights are derived;

IN ADDITION, we believe, in the face of compelling biological evidence, that a continuum of human life and personhood begins at the moment of fertilization and ends at natural death, the ethical treatment of human embryos must include their "best interests;"

THEREFORE, I affirm my support for the **The Right to Life of All Persons Recognized and Protected proposed Amendment** to the Florida Constitution, **The Florida Personhood Act**, and other actions that would support these principles. This would assure that regardless of race, age, degree of disability, manner of conception, or circumstances surrounding a terminal illness, that the civil rights of the pre-born at an embryonic or fetal level, the elderly, and those with mental or physical infirmities are protected by law; and are violated when we allow destructive embryonic stem cell research, therapeutic or reproductive cloning, animal human hybrids, abortion (in the rare case that the mother's life is indeed endangered by a continuation of the pregnancy, sound medical practice would dictate that every effort be made to save both lives), infanticide, euthanasia or assisted suicide.

Personhood FL ProLife PAC will regard a vote for legislation containing language in violation to that described above in our ProLife Principles document as a vote in direct opposition to the Affirmation you signed. This action will result in immediate removal of your Personhood FL ProLife PAC endorsement and will be reported in subsequent communications from Personhood FL to the grassroots activists in our state.

Shouldn't the law protect every person?

We are all created in God's image.
He has a plan for each one of us.

In Florida, the right to life is not extended to the preborn and legal protection for our elderly and disabled is presently in jeopardy.

Personhood Florida has prepared an Amendment to the Florida Constitution that will insure that the God given right to life of every human being at any stage of development shall be recognized and protected. It will establish justice and respect for life from the moment of biological beginning until natural death.

Personhood Florida needs to collect approximately 225,000 valid petitions for the Personhood Amendment to go to the Supreme Court of Florida for approval for ballot access. To restore our Constitutional rights, we are working to raise up a "Gideon's Army" of 300 volunteers to help collect 900,000 signatures in a two year window to allow voters to amend the constitution.

Help protect elderly, disabled and preborn persons by signing and circulating this Prolife Petition for the FL Personhood Amendment!

"The care of human life and happiness and not their destruction is the first and only legitimate object of good government." \sim Thomas Jefferson
